

Maths	<p><a href="https://www.learningbyquestions.org/">Learning by Questions (lbq.org)</a> Access LbQ using the code <b>kbzc</b></p> <p>Year 5 and 6: Please complete Task 1- Multiply and Divide Numbers Including Decimals by 10, 100 and 1,000</p> <p>Remember you can access Prodigy and Times Table Rock Stars too.</p>
Reading	<p><a href="https://www.learningbyquestions.org/">Learning by Questions (lbq.org)</a></p> <p>Task 2 on LbQ- Reading comprehension (2) about the Boreal forest biome</p>
Topic	<p>This task links English, Geography and Art. Over this half term, we have been learning about the different biomes of the world. This article will remind you of what we have learned so far: <a href="https://www.nationalgeographic.com/what-makes-a-biome/">What Makes A Biome?   National Geographic Society</a></p> <p>Today, you will learn about the tundra biome. Read about it here: <a href="https://www.kidzone.ws/habitats/arctic-tundra.htm">https://www.kidzone.ws/habitats/arctic-tundra.htm</a></p> <p>Test your knowledge with this quiz: <a href="https://www.ducksters.com/quiz/earth-science/tundra-quiz/">Science Quiz: Earth Science: Tundra (ducksters.com)</a></p> <p>Write a non-chronological report about the tundra biome- you can choose your own section headings but aim to include:</p> <ul style="list-style-type: none"><li>● Location</li><li>● Climate</li><li>● Flora</li><li>● Fauna</li><li>● Human impact (consider climate change)</li></ul> <p>Draw or paint illustrations to go alongside your report- you could create a tundra landscape as a background.</p>
