

Results Bulletin | 2018-2019 Attainment

We are delighted to be able to share our pupil attainment data for the academic year 2018-2019. This was the second year that we have operated as a full primary school with pupils in Year 6 completing their Key Stage 2 SATs.

This was a great year for the pupils of Hipsburn Primary School and we are very proud of their outstanding achievements! Our Year 6 pupils achieved some of the best results in the Local Authority and outperformed the national average.

Children are assessed, in line with Ofsted requirements, at several stages during their Primary education: at the end of Early Years (Reception), Year 2 (Key Stage 1 SATs) and Year 6 (Key Stage 2 SATs). In addition to these mandatory assessments, we use a half-termly assessment system from Rising Stars to check individual and group pupil progress in core subjects (maths, reading, spelling, punctuation & grammar) to ensure that we deliver the best possible education for your child.

Early Years | Children are assessed at the end of Reception to see if they have achieved a Good Level of Development. As you can see, we **outperformed the national average and the Local Authority.**

National 2019	Local Authority	Hipsburn
72%	75%	80%

Our Year 1 children did brilliantly well with **95% achieving the phonics check** versus **84% average across the Local Authority** and a 2019 **national average of 82%.**

Key Stage 1 | Our **Year 2** children completed their Key Stage 1 SATs and **outperformed the 2019 national and Local Authority average in all areas.**

	Reading	Writing	Maths
	Expected +	Expected +	Expected +
National 2019	75%	69%	76%
Local Authority	78%	73%	79%
Hipsburn	85%	92%	92%

Jargon buster – ‘Expected +’ is the combination of pupils reaching the ‘Expected’ level and those working at ‘Greater Depth’

Key Stage 2 | Year 6

This was the second year of Year 6 pupils at the school completing their Key Stage 2 SATs. Growing into a primary school has been a great challenge, but I'm delighted to say that their results were **amongst the highest in the Local Authority!** These results stand testament to the **strength of teaching** and the **resilience of pupils and staff alike**. We are exceptionally proud of what we have achieved together.

	Reading		Writing		Maths	
	Expected +	Greater Depth	Expected +	Greater Depth	Expected +	Greater Depth
National 2019	73%	27%	78%	20%	79%	27%
Local Authority	75%	27%	80%	24%	79%	26%
Hipsburn	91%	52%	81%	33%	91%	57%

All of our pupils and staff have achieved great results this past year, and whilst we are of course now focused on helping this year's cohort of pupils to achieve their best possible personal results, we will continue to do so by creating a respectful, supportive and fun environment as we believe strongly that this is key to every child's relaxed and confident progress.

Here's to another successful year!

Warmest regards

Kevin Moloney
