

Dustanburgh Class Overview - Summer Term (1) 2019

Topic: Keeping Healthy

Subject	
English	<p>To write a new folktale with a vivid setting, atmosphere and an exciting climax. It</p> <ul style="list-style-type: none"> • vividly describes the setting so that the reader can imagine • includes dialogue and action so that moves the story on • is tense and suspenseful, because the characters have secrets. <p>Grammar: Use</p> <ul style="list-style-type: none"> • adverbs and adverbials to explain when and where things happened (The next evening... On the far side...).
Maths	<ul style="list-style-type: none"> • Money
Science	<ul style="list-style-type: none"> • Year 3: Plants. Children will learn the names of different parts of plants and the jobs they do. They will work scientifically and collaboratively to investigate what plants need to grow well, and will present their findings to their classmates. Furthermore, they will have chance to predict what will happen in an exciting investigation into the transportation of water within plants. They will work in a hands-on way to identify the parts of a flower, and will explore the different stages of the life cycle of a flowering plant. • Year 4: (please see Ford Topic Overview 'Science' for more detail)
Geography	<ul style="list-style-type: none"> • Find and name countries and continents. Counties of the UK.
History	<ul style="list-style-type: none"> •
Design technology	<ul style="list-style-type: none"> • Mechanical Posters continued: children will have opportunities to develop their understanding of mechanical systems. Following instructions on how to make different types of lever and linkage mechanisms gives children experience and information to draw on when developing their own ideas. They sketch a design based on their ideas, make a prototype, and then create their 'Lever and Linkage Poster' using the context of recycling. Finally, children will evaluate their finished product.
Languages	<ul style="list-style-type: none"> • Develop practical communication in the French language, focusing on Friends and Family
Religious education	<ul style="list-style-type: none"> • Sikhism
Computing	<ul style="list-style-type: none"> • Online safety, Word Processing and presentation skills.
